- The Company has only one reportable business segment as it manufactures and deals mainly in different seating systems in terms of Ind AS 108 "Operating Segment". Further, the Company operates only in one geographical segment -India. All the assets of the Company are located in India. The chief operating officer and chief financial officer (chief operating decision maker) monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment. Also, the management does not see any risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due. The situation though is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future spread of COVID-19 and due to which the Company will continue to closely monitor any material changes to future economic conditions, if any.
- During the financials year 2020-21 because of slowdown in auto industry and impact of Covid 19, the Company had inadequate profits which resulted in managerial remuneration paid to its two whole time directors appointed during the year exceeding limit specified under section 197 read with Schedule V to the Act. The excess remuneration paid is approved by Board of Directors in meeting dated 4th February, 2021 and will be proposed for shareholder approval in the ensuing Annual General Meeting. The management is confident of obtaining the shareholder's approval for remuneration accrued/paid and accordingly no adjustment is required in the financial results.
- The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Bharat Seats Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Bharat Seats Limited (the "Company") for the quarter ended June 30, 2021 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **Emphasis of Matter**
We draw attention to Note 4 of the financial results, which explains the uncertainties and the management's assessment of the financial impact related to COVID-19 pandemic situation, for which a definitive assessment of the impact in subsequent period is highly dependent on future economic developments and circumstances as they evolve. Our conclusion is not modified in respect of this matter.
